Paediatric Airway Course

Course Directors:
A/Prof Henry KK Tan
A/Prof Abhilash Balakrishnan

Date : 9 November 2012 (Friday)
Time : 9.00am to 5.00pm
Venue : SingHealth Experimental Medicine Centre
Block 9, Level 3, Singapore General Hospital

Date : 10 November 2012 (Saturday)
Time : 9.00am to 5.00pm
Venue : KKH Auditorium (Training Centre) Level 1, Women’s Tower

Summary of the course:

This is a two-day workshop, which covers common and important aspects of paediatric airway disease that are relevant to surgical as well as medical disciplines like paediatric medicine, emergency medicine and anaesthesia.

For the surgical disciplines like otolaryngology and paediatric surgery, a special emphasis on various aspects of paediatric bronchoscopic procedure and technique will be demonstrated.

This will be further augmented with hands-on bronchoscopic techniques on rabbits and live surgery on paediatric patients.

A/Prof Henry KK Tan

Organising Chairman, Paediatric Airway Course
Head and Senior Consultant, Department of Otolaryngology
KK Women’s and Children’s Hospital
